

PE and Sports Premium for Primary Schools

PE and Sport Premium Plan 2018-2019

Total Sports Premium 2018-2019	£17,610 (£4514 allocated)
<p>The continued level of sports funding is allowing us to invest heavily in a variety of ways to improve further and develop the teaching and learning across the academy. We will be investing in time working with professionals in a variety of targeted areas so that teachers can develop their practice as well as in resources: additionally this includes the cost of transport to and from events via use of the academy minibus which build on the ability to attend will inter- school competitions.</p> <p>We will encourage pupils to continue to lead healthy lifestyles through targeted teaching and will also provide a range of learning opportunities for children to enjoy PE & sport and experience high quality teaching. Children will have even more opportunities to take part in competitions and aim for sporting excellence through close links with other schools both within the Delta Academies Trust and the local community. In addition to this, children in our Year 6 cohort will be taught how to swim a minimum of 25 metres, use a range of different strokes and be able to perform self rescue.</p> <p>We will use pupil voice to navigate our plan throughout the year and maximise the engagement and participation levels in both PE and sporting activities.</p> <p>The academy recognises the positive impact on the quality of the teaching of PE and the need to use our funding in 2018/2019 to promote a range of sporting activity and healthy lifestyles.</p>	

The following areas have been identified to be addressed in PE this year:

- Developing teaching in areas requested specifically by individual members of staff (bespoke), to deliver consistently good or better lessons which ensure progression (high quality CPD).
- Engagement in fitness activities designed to ensure personal improvement.
- Increased awareness of healthy lifestyles by engaging with healthy foods and food preparation.
- Increased understanding of nutrition and different food types.
- The need to provide a wider range of sporting activity through break times, lunch times and after school clubs.
- Increase the variety and frequency of inter-school competition.
- Ensure all year 6 pupils are able to swim at least 25 metres unaided, use a variety of swimming strokes and perform self-rescue.

Objective	What are we going to do?	How are we going to do it?
Developing teaching in areas requested specifically by individual members of staff (bespoke), to deliver consistently good or better lessons which ensure progress (high quality CPD).	Improve teacher’s subject knowledge, confidence and delivery of PE.	Teachers to complete a skills audit to highlight strengths and areas for development. Each teacher will highlight a specific area for development. Organise support from PE specialists. Teachers to observe PE lessons delivered by a specialist in this subject area. Team teach sessions to be carried out with PE specialist and teacher.

		<p>Lessons taught by PE specialist to be observed by teacher.</p> <p>This support should be offered as short blocks of intense support (half term).</p>
Engagement in fitness activities designed to ensure personal improvement.	Improve the health, fitness and resilience levels of all pupils.	<p>Targeted fitness sessions delivered weekly.</p> <p>Pupils record their own performance in a range of disciplines and attempt to improve over a period of time.</p>
<p>Increased awareness of healthy lifestyles by engaging with healthy foods and food preparation.</p> <p>Increased understanding of nutrition and different food types.</p>	<p>Expose children to different foods and different food types.</p> <p>Learn about food types and why each are important to our bodies.</p> <p>Teach children how to prepare and cook simple meals.</p>	<p>Plan for one block of food technology to be delivered in upper key stage 2 each year (in line with National Curriculum objectives).</p> <p>Supply recipes for the children to take home alongside the food they have produced.</p>
The need to provide a wider range of sporting activity through break times, lunch times and after school clubs.	Select a team of children that are tasked with setting out equipment in planned zones so that there are a variety of activities set out at playtimes and lunchtimes.	<p>Create a rota of activities based on a two-weekly rotation.</p> <p>Invest in equipment of which the sole purpose is to use for playtimes and lunchtimes. This ensures that PE</p>

		<p>equipment is also used solely for PE lessons and there is no overlap.</p> <p>Carry out pupil voice with regard to interest in sports after school clubs.</p> <p>Implement lunchtime and after school clubs to prepare and train children in readiness for inter- school competitions.</p>
Increase the variety and frequency of inter-school competition.	<p>Participate in an increased number of inter- school competitions.</p> <p>Participate in targeted sporting events.</p> <p>Be open to respond to opportunities if and when presented.</p>	<p>Renew membership to Hull Active Schools.</p> <p>Begin the process of developing a Hull inter schools network. Meetings to be arranged between PE leads to co-ordinate the focus of each academy.</p>
Ensure all year 6 pupils are able to swim at least 25 metres unaided, use a variety of swimming strokes and perform self-rescue.	Improve the pupil's swimming ability.	Arrange for pupil's to participate in swimming lessons to improve their swimming ability.

focus	cost	Who's involved?	impact
Developing teaching in areas requested specifically by individual members of staff (bespoke), to deliver consistently good or better lessons which ensure progress (high quality CPD – carried out by Hull KR, Hull Active Schools).	£0	Head of Academy, PE lead, classroom teachers.	<ul style="list-style-type: none"> To increase expertise in teaching and learning in PE.
