

PE and Sports Premium for Primary Schools

Impact report 2017- 2018

In 2017-18 Mersey Primary Academy received the fifth year instalment of PE funding. The funding was used in a variety of ways to further improve and develop teaching and learning across the whole academy.

Pupils were encouraged to continue to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They were encouraged to take part in competition and aim for sporting excellence.

A specialist teacher was employed to work alongside our teachers to develop their skills and knowledge to enhance the quality of the teaching of physical education and this has improved the quality of learning in P.E and has allowed us as an academy to specialise in specific sports.

Learning walks, lesson observations and monitoring by SLT and the PE leader over the academic year have allowed us to ensure that a high standard of teaching and learning is taking place: high quality coaching in KS1 and KS2, increased awareness of healthy lifestyles, increased quality of warm ups and agility games to build up stamina.

Due to the lease of the minibus, pupils have been able to attend many more inter- school competitions, which has in turn allowed children to develop their skills and experience competitions.

Amount of Primary Sports Grant received	
Primary Sports grant lump sum	£16,013
Total number of pupils on roll	197
Amount spent	£15,225

Objective	What are we going to do?	How are we going to do it?
Physical Education Raising the standard of teaching and learning in PE: a focus on the development of children's understanding and reasoning and the development of skills.	To improve the PE curriculum and the quality of teaching and learning.	Coaching and mentoring of teachers by utilising the skills of the P.E. team: P.E. lead in the academy, a cover supervisor in the academy who was a previous sports coach and by high quality CPD opportunities. Rigorous observation of lessons by PE lead and SLT, focusing on ensuring that the quality of PE teaching at least matches that in the core subjects.
Competitive school sport; increase participation levels in extra- curricular sport.	To continue and extend the opportunities for competitive and non- competitive sports with other local schools and academies and regional academies with a focus on sports	Maintain current competitive activities -PE lead to organise tournaments to link with skills being taught in classes (tag rugby, dodge ball, football, cross country, biathlon,

	which had not previously been offered by the academy.	swimming, table tennis, athletics, cricket, netball, hockey). Extra-curricular sports clubs in line with competitions: badminton, golf, futsal, boccia - PE lead to organise cluster competitions - PE lead to liaise with secondary schools and local clubs for sport
Healthy active lifestyles; ensuring all children are encouraged to take regular exercise.	To improve the health choices of our pupils and lead an active lifestyle .	Through introduction of school cooking kitchen and focus curriculum weeks; in addition to children participating in sports and games both within the Academy and with partner schools and Academies locally. Including Change for Life and other multi-agencies.
To gain a Gold Quality Mark standard for the second year running.	Continuous monitoring against the criteria, with a particular focus on attending more inclusion events and more Key Stage 2 children officiating events.	PE team to identify and map out and facilitate the necessary provision inc: Children interviewed and appointed for Sports Council who will be overseeing and officiating at lunch time. Children who are subs for competitions will be reporting and commentating on these events. Nominated Y5 pupils will be completing the training for Change for Life Leadership Roles.
